

TOTAL TRANSITION PROGRAM

Global Career & Transition Services for the Accompanying Spouse/Partner

Relocating?

As you envision your life in your new home, how are your goals and ambitions fitting into the picture?

REA has worked with thousands of men and women looking to redefine their lives and careers in new locations.

REA recognizes the special challenges families face when accepting an international assignment.

To assist with this transition, we offer the **TOTAL TRANSITION PROGRAM** for both the job seeking and non-job seeking spouse/partner. We will assist you in adapting to the new country and culture and help you to find employment or to explore meaningful alternatives if you choose not to work. A highly trained Professional Career Coach, located in your destination area, will provide you with the comprehensive resources and personalized guidance you need until you meet your objectives. Your employer has partnered with REA to ensure you have a positive and fulfilling
